### THE STATE OF NEW HAMPSHIRE

[L. S.]

*To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town House in said Town on Tuesday, the tenth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First—To choose all necessary officers and agents for the ensuing year, including a member of the board of Selectmen for three years.

Second—To see how much money the town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see if the town will vote to raise and appropriate the sum of four thousand (\$4,000) dollars, as recommended by the State Highway Commissioner for the maintenance of our State Aid Highways, the state to furnish an equal sum.

Fourth—To see what sum of money the town will vote to raise and appropriate for improvements in our cemeteries.

Four-one-half—To see if the town will vote to raise and appropriate the sum of five thousand five hundred eighty-two and 50-100 dollars to pay for the new Seagraves fire truck or take any action relating thereto.

Fifth—To see if the town will vote to raise and appropriate the sum of four hundred (\$400) dollars for the pur-

pose of cooperating with the state in the control of the White Pine Blister Rust.

Sixth—To see if the town will vote to allow the Boy Scouts the free use of the Town Hall for one night annually.

Seventh—To see if the town will vote to raise and appropriate the balance necessary to purchase an automobile chassis suitable to carry our present chemical equipment, the united fire companies of the Precinct having voted to contribute five hundred (\$500) dollars of their private funds towards the purchase price provided that the town acts favorably on the same and the foremen of the three fire companies are to act as a committee to represent the Precinct, with a like committee appointed by the moderator or elected by the voters to represent the town in the purchase of the chassis.

Eighth—To see if the town will vote to raise and appropriate the sum of two thousand six hundred and fifty-eight (\$2,658) dollars for the construction of a section of State Aid Road, the state to contribute one thousand nine hundred and ninety-three and 50-100 (\$1,993.50) dollars as their share of the same.

Ninth—To see if the town will vote to allow its Selectmen to hire money in anticipation of its 1931 taxes.

Tenth—To see if the town will vote to empower its Selectmen to provide more police protection for that section of the town known as Pinardville.

Eleventh—To see if the town will vote to install and maintain a hydrant on the Mast Road, so called, near the property owned by Wilfred Perreault.

Twelfth—To see if the town will vote to install and maintain two electric lights, one at the corner of Libby Street and the Mast Road, and the other at Bartlett's Corner, so called. These two articles are inserted in the warrant agreeably to the petition of William Estabrook and fourteen others.

Thirteenth—To see if the town will vote to instruct its Selectmen to lay out and grade Orchard Street from the Mast Road to the wall at land of Darius W. Stevens, as shown on plan of Libby Flat, and raise and appropriate money for the same, agreeably to the petition of Hermingilde St. Germain and thirty-two others.

Fourteenth—To see if the town will vote to instruct its Selectmen to lay out Fairview Street west of the Mast Road as shown on the plan of Beacon Terrace and Fairview Street east of the Mast Road as shown on the plan of Brooklawn Park, and raise and appropriate money for the same, agreeably to the petition of Henry J. Charest and twenty others.

Fifteenth—To see if the town will vote to instruct its Selectmen to lay out Pine Hill Avenue as shown on the plan of Pine Hill lots on file at the Registry of Deeds for Hillsborough County at Nashua, agreeably to the petition of Adolph E. Garriepy and twenty-one others.

Sixteenth—To see if the town will vote to have its Selectmen lay out and grade Desaulnier Street from the Mast Road to College Road as shown on the plan of Desaulnier Plat, on file at the Hillsborough County Registry of Deeds, agreeably to the petition of Arthur F. Dennis and seventeen others.

Seventeenth—To see if the town will vote to purchase a motor road maintainer and raise and appropriate money for the same.

Eighteenth—To raise and appropriate such sums of money as may be necessary for the support of the poor, for the repairs of highways and bridges, and for Memorial Day and other legitimate town expenses for the ensuing year.

Nineteenth—To see if the town will vote to let its Selectmen sell the land acquired from the B. F. Merrill estate for taxes, or settle with the Grafton Power Company for damages on account of their pole line crossing the same.

Twentieth—To hear the reports of agents, auditors and committees and pass any vote relating thereto.

Twenty-first—To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-first day of February, 1931.

## ANNUAL REPORT OF THE FIRE DEPARTMENT

---

During the past year the Fire Department has answered 44 duty calls. Twenty-one for the Town, twenty-one for the Precinct and two for out of town.

Several of the town fires resulted in quite a loss. After pumping the wells dry at Mr. McKins, the delay caused by having to pump from a swamp together with the time required in laying 1250 feet of hose gave this fire a new hold and of course increased the amount of loss. The Bog Mill house was burned as no alarm was given until the fire illuminated the sky. Owing to a serious delay caused by the party saying on the phone, "My house's afire" then hanging up the receiver, without telling central what house, caused a loss of a set of buildings on the Amoskeag Road. The barn was down and the ell afire before we reached there. The Mountain Hotel and camps were burned before the cars began operating for the summer. On reaching the base of the mountain the firemen had to walk up the incline to reach the summit. The boys did all they could. The Hebert cottage burned about 12:30 p. m. and was a mass of flames before being discovered. The incline cars were run and the fire was confined to this cottage.

The Precinct has been extremely fortunate, practically no loss, the calls were for chimneys, grass and two oil heater explosions.

During the past year the old Pumper broke down. We looked the repair cost up, and after talking the matter over with many of the taxpayers deemed it advisable for the Town to purchase something reliable. Several of the firemen circulated a petition requesting the Selectmen to provide something suitable for fire protection. This was signed by 365 tax-

payers. The fire wardens met with the Board of Selectmen and a Special Town Meeting was called Nov. 29, 1930. After the conditions were explained to the voters, the Selectmen were instructed to purchase a Seagrave Pumper and the machine was placed in immediate use that night. It certainly was very gratifying to those who freely gave hours upon hours of their time in a house to house canvass, when this vote was unanimous. We thank you.

The citizens of Grasmere, and those of the Farming Community, have assisted those of us who went around looking for sources of water in case of fire, in a kind and cheerful manner. A large part of the Town has been looked up and the balance will be taken care of as soon as conditions are favorable. This work which requires many, many hours is being done by the firemen free gratis, and if the townspeople will only co-operate with us we will feel amply repaid.

At the Union Meeting of the firemen it was voted unanimously to take from the treasury of their ball fund \$500 if the Town would vote to make up the balance for a new chassis to replace the old Chemical which is so light it is terribly overloaded. On the hills it is awful logey. Whether the Town votes to accept the gift they offer, or not, the firemen certainly showed a fine spirit in offering such co-operation. The fire wardens certainly wish to express their thanks to their brother firemen.

We desire to be ready at all times to be able to assist you in your hour of need, so let's work together.

### AUDITOR'S REPORT

This is to certify that I have examined the accounts of the Treasurer of the Precinct, Collector and Treasurer of the Goffstown Village Water Works and find them correct and properly vouched.

GEORGE L. EATON,

*Auditor.*

## REPORT OF BOARD OF HEALTH

---

There have been several epidemics the past year, one of whooping cough, one of mumps, one of measles, and the reported cases were as follows: Measles, 83; Mumps, 34; Whooping Cough, 15; Scarlet Fever, 1; Diphtheria, 1.

We desire to call the attention of parents and physicians to the State law requiring a report to the local Board of Health within 24 hours of every case of either smallpox, diphtheria, membranous croup, scarlet fever, typhoid fever, measles or any other malignant communicable disease.

Any person violating this law shall be punished by a fine of ten dollars for each offense.

ROBERT M. GORDON,

*Health Officer.*

## REPORT OF THE RECREATION COMMISSION FOR THE CARE OF BARNARD PLAYGROUND

---

Especial attention was given to the upkeep of the playground during the past year, namely:

The baseball diamond was rolled and put in first class condition early in spring, and a new set of baseball bases purchased.

The tennis court was rolled and taped and a sign with rules and regulations posted.

The grandstand was boarded up in the back and painted.

The trees, set out by the schools and various organizations and individuals in town several years ago, were given care and attention.

The pond was thoroughly cleaned and then sanded during the dry season last summer. A stationary bench was placed near the pond. The Better Pond Fund which was raised by a group of enterprising and progressive women some years ago was almost drained for this purpose.

The playground equipment for younger children was painted and a High-Low Whirler was purchased for the youngest children.

The Wesley Wyman Post and Auxiliary unit held their annual Fourth of July celebration at the playground and as usual proved a splendid social success.

Community services, also local picnics were held here.

The baseball games, sponsored by the Contoocook Valley league, to which our local team claims membership, were held here for our allotted games.

Swimming was enjoyed until the dry season set in.

Before the season's enormous snowfall, the pond offered splendid skating facilities. The Commission hoped to keep the pond open, but owing to conditions it proved impossible.

Mr. Wakefield resigned as member of the Commission last spring and Judge Alfred Poore was appointed by the Selectmen to fill the vacancy.

## REPORT OF TRUSTEES OF GOFFSTOWN MEMORIAL LIBRARY

---

The trustees have been fortunate in keeping the services of Miss Louise Marden and Miss Annie Harrington as librarian and assistant for the past year.

The trips to Grasmere have been made during the summer months the same as formerly with somewhat more interest having been shown the last year than the year before. We wish more people in that section of the town would avail themselves of the opportunity to get books without the necessity of going so far for them.

The Vacation Travel Club was also continued through the summer months for the children.

There were more non-fiction books taken out this last year than the year before.

The balance of this year will be smaller than before but unless something unforeseen happens we will be able to meet all our obligations until the next appropriation is available.

The Carnegie Peace Foundation has sent books from time to time on different countries which have been very interesting.

We are indebted to the Unity Club, Mrs. Edna Marden and others for gifts and wish to thank all those who have in any way contributed to the success of the library as an institution of pleasure and learning.

## REPORT OF CEMETERY TRUSTEES

---

During the past year the maintenace of our cemeteries has been fully up to our previous standard and their appearance has shown a gradual trend for the better.

The trustees wish to acknowledge the gift of trees and shrubs donated by the Unity Club of Goffstown which were placed in Westlawn adding much to the beauty of the cemetery. The fence at Westlawn has been newly painted, but no new lawns were graded and seeded during the past year and but small piece of land remains available for that purpose.

At Hillside cemetery new slate markers have been set at the corners of the lots. These make it much easier to keep mowed on account of their being set flush with the surface of the lawns.

Quite a section of the older portion of the cemetery was grade and reseeded during the past season, making maintenance much easier and adding greatly to its appearance.

Our perpetual care fund was increased during the year by numerous contributions totalling more than five hundred dollars.

Those who have not made provision for the perpetual care of their lots, but intend to do so, by paying fifty dollars as soon as convenient, will avoid the annual assessment, and if at some future time they feel like increasing their fund any amount that they see fit to contribute for that purpose, will be duly credited to them and added to their present fund.

Few realize the amount of time required to collect the fees from the individual lot owners annually.

FRANK W. KENDALL,  
FRANK A. PARKER,  
EDGAR W. POORE,  
LOUIS R. GREGG,  
GEORGE L. EATON,

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Citizens of Goffstown Independent School District:*

Up to this time, we have had, without any changes, the same teaching force as we had last year. But just now, Miss Johanson, in charge of the Commerical work, is concluding her services with us, leaving to assume similar work in the High School at New Britain, Conn. While we regret that she is leaving, we recognize that this change is a "professional advance" for her, in salary and in a more specialized type of teaching. Mrs. Luther Dearborn will complete the year for us.

During last summer vacation, Mr. Peavey attended the summer school at Columbia University, New York City, for advanced studies in education. Likewise, Miss Dahlberg also invested part of the summer in graduate work at N. H. State University. Miss Harlow spent some weeks in travel.

A number of pupils, from 25 to 35, both elementary and high school, are under the necessity of bringing lunch because of distance too great to allow them to get home at noon. For health reasons school lunches should be supplemented with something hot. Not until this season did any workable plan appear. Now, however, each noon, warm chowders, or soups, or stews and a warm drink are brought to the building. No pastries or sweets are served. Those who wish have opportunity to add to the lunch brought from home, something hot as well as nourishing. Five and ten cent servings make such dishes available to any one who wishes, yet not compulsory. The school does not assume any financial responsibility—nor any other in fact. Mrs. Muzzey plans and takes care of everything. The very general response on the part of the pupils serves to indicate the need for such a plan as this.

For a period of twelve weeks arrangements were made whereby a group of nurses, now in training at the County Hospital, came to the High school one afternoon each week, after school for special instruction in chemistry. With the capable service of Mr. Peavey, who volunteered his services as instructor, and with a well equipped laboratory, a fine opportunity was provided for this special training.

At the beginning of this school year a part of the assembly hall was equipped with book cases and tables and desks, which were not in use in other parts of the building. This is used as a study room. Each period of the day, "study pupils" go to this room which is in charge of a teacher who is also free. Here is a teacher, who for this time, is there to help in assignment, in study, in finding reference material or in any other way. At the same time this relieves those who are teaching of "study pupils"—who sometimes do not make the teaching process any easier. This plan also puts pupils to do their study—right alongside—the magazines—periodicals—reference and other books. Yet this plan does not rob the hall of its possibilities for other purposes such as assemblies, "parties", etc., as nothing but movable chairs and desks are used. "Supervised study" is made more nearly a reality under his plan.

The basket ball teams, judged by the rather small number of "wins" have not had a very successful season. However, they have found some very strenuous exercise, had considerable fun, and probably have increased endurance and self-control. The game's the thing.

The Unity Club has remembered Miss Warren's room and Mrs. Stiles' room each with a picture. These expressions of thoughtfulness are always appreciated.

Respectfully submitted,

J. BYRON TARNEY,

*Superintendent of Schools.*

### AUDITOR'S REPORT

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Goffstown, Independent, of which the above is a true summary for the fiscal year ending June 30, 1930, and find them correct in all respects.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Citizens of Goffstown Town School District:*

Four buildings are in use again this year. Shirley Hill, Parker's, Grasmere and Bartlett. Shirley Hill has 17 pupils, Parker's has 23, Grasmere, including both rooms, 65, and Bartlett 120. This represents a total of about 225.

The school enumeration last fall showed 486 children between the ages of 5 and 16 years. Of these 426 are in schools. About 200 are in attendance at St. Edmund's school.

One special teacher of English and eight regular teachers direct instruction. Miss Follansbee was transferred from Parker's to the High primary room at the Bartlett building. Miss Elva Thurber, a Plymouth Normal graduate with two years' teaching experience, is at Parker's. Parker's school, closed some four years ago, has now 23 pupils—almost a full house.

About a year ago, Miss Fitzgerald of Manchester began as special teacher of English at the Bartlett school. This work has proved of so much value that its continuance is necessary to provide ample opportunity for a number of pupils there.

A year ago, at the school meeting, money was voted to provide for the fitting up of an added room at the Bartlett building. The result is we are now using a splendidly arranged and comfortable room. This was done at a reasonable cost, putting in a ceiling of wall board, putting a wood floor over the cement, installing black boards, walls and ceiling were painted in light shades, effecting a well lighted room. This provides a margin of space which will be ample for a time.

One item of expense during this current year, considerably in excess of the estimate of a year ago, is the cost for high school tuitions. For some years \$2,500 has been ample to care for this and this amount was voted a year ago. But from this district, 34 pupils have been in high schools. The list indicating the pupils and from what sections of town they come, and the high school attended, is given below:

The annual tuition rate in Manchester is \$97.28, in Goffstown, \$100. Although some few of these young people have dropped out of school, yet the total amount of tuition will be several hundred dollars in excess of the appropriation. This evidence of a desire both on the part of parents and pupils for further educational advantages should be a matter of gratification.

#### SO<sup>ME</sup> OF THE COSTS

Glance at four of the largest items in the Budget.

*Teachers' Salaries*, appropriation, \$8,600. This pays the salaries of the Music Supervisor and nine regular teachers, with an average salary for the latter less than \$950. Anyone thinking these teachers are overpaid can soon discover his error.

*Transportation*, appropriation, \$4,140. Almost half as much as teachers' salaries. Anyone in the district who has a satisfactory plan, costing less money should talk to the School Board. No one familiar with the facts involved will suggest opening up the closed one-room schools. This would increase costs, rather than lessen.

*Fuel*, appropriation, \$1,000. This figure is based on past experience. But once more, anyone who is confident that heating can be done for appreciably less would probably have a chance to try it.

*Books and Supplies*, appropriation, books, \$350, supplies, \$250. A total of \$680. Now figure this one. With \$600 to provide books and supplies (paper, pencils, rulers, chalk, etc.) for 225 pupils for 180 school days means an allowance of about  $1\frac{1}{2}$  cent per day per pupil. The state average per pupils per year is \$3. The district here pays \$2.67 or 10% less than the state average. Surely parents do not want less, rather more, than  $1\frac{1}{2}$  cent per day for a working outfit for their children.

However, the final consideration is the outcome of this yearly financial investment. Last year fifteen pupils completed the work of grade eight. This year thirty-one have been in high schools. At present, others having finished high schools are continuing in colleges and universities. The advantages of high school and college would not be possible were it not for the beginnings here in your own schools. And for those who school days, from force of circumstances end with grade 8 we have an equally unescapable obligation. This land of ours believes in education.

Respectfully submitted,

J. BYRON TARNEY,

*Superintendent of Schools.*

## REPORT OF SCHOOL BOARD

---

### GOFFSTOWN TOWN DISTRICT

We submit this as the eightieth annual printed report of the schools of the District for the year ending June 30, 1930.

Graduation exercises were held in the hall at Grasmere, Thursday evening, June 12, a class of nine receiving diplomas and on the same evening a class of six were given diplomas at the Bartlett school.

On the evening of May 13 the Supervisory Union met at Goffstown and unanimously re-elected Mr. J. Byron Tarney superintendent of schools for the ensuing year. We wish to thank the superintendent and teachers for their work during the year and the Selectmen for favors received.

We refer to the reports of the Superintendent and Treasurer for extended information relating to our schools.

The annual meeting of the Town District will be held in the school house as Grasmere on Saturday afternoon, March 14, at two o'clock.

All voters in the district are invited to be present.

GEORGE E. WHITNEY,  
ROSAMOND WELLS,  
ELISABETH B. HOLT.
